Urologist Dr. Nathaniel Readal Joins Barrett Hospital & HealthCare

Dillon, Montana, March 07, 2024 – Barrett Hospital & HealthCare is pleased to announce that Nathaniel Readal, MD, a board certified urologist, has joined Barrett Hospital & HealthCare medical staff and is seeing patients at the Clinic at 30 MT HWY 91 S. in Dillon, MT.

At the age of twenty-two, after being treated for testicular cancer and experiencing urologic care on a personal level, Dr. Readal became interested in urology as a career that would allow him to serve patients with urologic conditions. He has a special interest in adult and pediatric urology, treating the full spectrum of urologic disorders including both benign and cancerous disorders of the urinary tract, voiding disorders, urinary incontinence, kidney stone disease, fertility, and sexual disorders. Preventative care, disease treatment, office-based procedures, as well as minimally invasive laparoscopic surgery are some of Dr. Readal's techniques.

Dr. Nathaniel Readal completed his medical school training at the Johns Hopkins University School of Medicine in Baltimore, Maryland and a Urologic Surgery residency at the Brady Urologic Institute at the Johns Hopkins Hospital in Baltimore, Maryland. He is board certified in Urology by the American Board of Urology. Dr. Readal was most recently affiliated with Intermountain Health in Butte, and he is one of only a few urologists in Montana who treats children for urologic issues.

Taylor Rose, Chief Executive Officer at Barrett Hospital & HealthCare, said "Dr. Readal has been providing care to Southwestern Montanans since 2015. He is highly respected by both patients and medical professionals, and we are extremely pleased that he decided to join us to continue providing that specialized care in Dillon and the surrounding areas."

For more information on Urology services or to schedule an appointment with Dr. Readal, please call 406-683-3060.
