**ANNUAL REPORT - 2021**

# FROM THE DIRECTOR

## TO OUR LOYAL SUPPORTERS:

First and foremost, the Board and Staff of Barrett Hospital Foundation wish to thank you. Your charitable support has sustained the hospital in good times and during challenging times throughout Barrett Hospital & HealthCare's 100-year history. Partnerships are the core of our work, and it is our good fortune to count you among our partners.

As a nonprofit organization, we are led by a volunteer board of directors from the community. Their professional backgrounds and varied experience are valuable in shaping the direction of the organization. They ensure that our work remains relevant and impactful as the community grows and our healthcare needs evolve because of that growth.

An engaging annual report is a summary of the past year. This report will include financials, accomplishments, projects, initiatives, and personal stories. It is an opportunity to showcase our successes and highlight challenges.

A gift to Barrett Hospital Foundation is an investment in community health. We are truly grateful that you made this worthwhile investment.

WITH SINCERE APPRECIATION,

# DIG PINK NIGHT

We thank Beaverhead County High School  
for their support of Barrett Hospital &  
HealthCare.

Dillon Beaver Volleyball raised \$5,164 for the  
Southwestern Montana Mammography  
Program, October 5, 2021.

From the start, the team at Barrett Hospital took my case very seriously when I came in with a small lump on my left breast. After reading so many other stories of young women not being taken seriously with cases like mine, I'm beyond grateful for the Barrett team's sense of urgency in my breast cancer diagnosis and for getting me set up for treatment with yet another strong team at the Bozeman Cancer Center. Everybody at Barrett Hospital has treated me like the athlete I identify with being and have surrounded me with love and support in getting through this. Thanks to the Barrett Hospital team for being proactive about arming me with all the information I have needed to navigate my diagnosis and treating me like, well, "me"!

# THE ROARING 20'S GALA

Barrett Hospital Foundation's Endowment Mission is to inspire healthcare philanthropy to ensure the most advanced equipment and technology for current and future generations.

The Roaring 20's Gala, held August 8, 2021, at the Twin Bridges Round Barn raised \$89,000 for the Equipment & Technology Endowment.

A full-page photograph of Mike Ferretti, a man with a beard and glasses, wearing a dark pinstripe suit and a red patterned tie. He is standing next to a dark green vintage car, with his left hand resting on the roof. The car is a classic 1930s model with wire wheels and a spare tire mounted on the side. In the background is a large, two-story red barn with a cupola on top. Several people are visible near the barn's entrance. The scene is set in a grassy field under a clear sky.

Mike Ferretti, Lifetime  
Achievement Award recipient.
